

## Mounjaro for Weight Management – Important Information

The NHS in Derbyshire is planning to make Mounjaro, a weight loss injection, available later this year for individuals who meet strict eligibility criteria.

 **Please do not contact us about Mounjaro at this stage** – it is not currently available in Derby and Derbyshire.

 Local clinics are being set up by the Integrated Care Board (ICB) in areas with the greatest need. When Mounjaro does become available, only those who meet the eligibility criteria will be considered.

 **To qualify, you must:**

Have a BMI over 40

**AND** be diagnosed with at least four of the following conditions:

Type 2 Diabetes

High Blood Pressure

Heart Disease

Obstructive Sleep Apnoea

Dyslipidaemia (abnormal blood fats)

 **Thank you for your understanding and patience.**
